Summer Work for New Year 12s

Task 1: Go to https://alevelmusic.com/4-short-history-of-music/ and explore this section of the website. Read the text and listen to the extracts of music in preparation for a short quiz at the beginning of the year.

Task 2: Prepare a performance of a short piece of your choir for a class recital in early September. You can use a piano accompaniment, backing track, or it can be completely solo.

Task 3: Listen to the whole of Haydn's Symphony No.104 in D Minor, come prepared to discuss it in September.
