## Headlines

Dear Parents/Carers

Last Friday was 'dress-up' day for our Year 11 students. It was so pleasing that all of the students engaged so positively in the day by dressing up in costume. Many of the students had coordinated their outfits with their friends. We had traffic cones, M & Ms, cartoon characters, amongst others. On Wednesday of this week, our Year 11 students had their final assembly, culminating with the students being covered with confetti by their form staff. The main examinations start next week for the students and we wish them all the best.

Thank you to all parents who have signed up to Edulink; I hope that you are finding this new app useful. All of the students have now been signed up and early signals from the students regarding their homework being set online are very positive.

We are now finalising staffing for next year in preparation of writing the new timetable. We currently have a number of adverts on our school website. If you know anyone who teaches maths, DT, Russian or Italian, please direct them to our website. I don't normally mention recruitment in PressTales, but all schools are finding it harder to recruit staff, so any support is welcome.

Kind regards

**Matt Warren**  
Headteacher

## Non-uniform Day

Our fifth and final non-uniform day of this academic year is being held on Friday 24th May 2019. Again, 50% of the money raised will go to supporting Fanconi Hope and the other 50% will be spent directly on our students, as determined by our Student Council. We would like everyone to take part and to make a voluntary £2.00 donation (or more if you would like to contribute as a family).

We would be grateful if donations could be returned to Mrs Eyre in the School Office in an envelope marked with your daughter's / son's name and form group. We would welcome the donation before the 24th if possible, please.

Thank you in advance.

In February half term 2020, we are returning to Leysin in Switzerland because of the fantastic slopes, mountain views, lovely hotel and fantastic ski instructors!

We still have places on this exciting trip! Letters have been emailed home or your daughter/son can collect one from Mrs Eyre.

Some key information:

- All abilities are welcome as all groups ski with ski instructors.
- The price is inclusive of ski equipment.
- Evening activities include swimming, movie night and tobogganing

## Presdales Senior Student Team 2019-2020

### Head Girl - Grace Bacon

Being chosen to be Head Girl here at Presdales is something that I never would have imagined - yet here we are.

I am currently studying Italian, Modern History and Government & Politics and hope to pursue these subjects at university. The support and encouragement that I've received from my teachers, enabling me to be in the lucky position I am today when thinking of the future, is immense and so I would like to do my part in helping others too, showing that anyone can achieve their goals.

Outside of lessons, I have always enjoyed being involved in non-curricular activities such as performing annually in "Presdales Rocks", taking part in the Bar Mock Trial competition in the lovely city of Edinburgh, and even being signed up by my friends for the 1500 metre run on Sports Day (which I can confirm was definitely a one off!).

I am looking forward to working with the rest of the years, bringing everyone's ideas together to ensure the school and the students gain the best possible outcome in the upcoming academic year.

**Olivia Grace Bacon**

### Deputy Head Girl - Freya Campbell

I am extremely excited to be this year's Deputy Head Girl, and I am looking forward to representing the school in the year ahead. I am currently studying maths, geography and psychology and would love to continue to study psychology to degree level.

Throughout my time at Presdales, since year 7, I have had the opportunity to develop both in and out of the class room with a wide variety of extra-curricular activities; for example, I am currently writing an EPQ, I have just finished the community sports leader qualification, I help in a year 7 maths class once a week and I performed in the annual dance evening. The diverse range of opportunities Presdales has offered are not only highly fulfilling as they've allowed me to achieve both academically and socially, but I have also thoroughly enjoyed them all.

As Deputy Head Girl, I am really looking forward to ensuring everyone makes the most of the opportunities Presdales has to offer, and working with the senior team to continue the interconnection within our school to enhance the friendly and well-developed community that is Presdales.

## Year 8 Take Your Daughter to Work Day

### Year 8 Careers - Inspiring young dreamers to dream big!

As part of our Careers Education programme, Year 8 students had the opportunity to find out more about the world of work in the celebration of "Take Your Daughter To Work Day" on Thursday 25th April 2019. There were a variety of workplaces visited including Hospitals, Schools, Businesses and even a visit to the Financial Times.

### What did they learn from the day?

"Seeing relationships between the staff and the children, the way the children enjoyed their learning environment and how welcoming all the staff and children were towards me"

"I saw people using teamwork and being supportive to everyone's ideas"

"I learnt about being patient, showing respect and being more confident"

"I used a lot of computer skills and I was very useful as the people there couldn't use computers very well"

"I loved this day because it was really different from a normal day at school and I would definitely do it again"

Thank you to all the Year 8 parents that gave up their time willingly to make this such a great experience for the students.

Elodie spent the day with mum at Mile End and the Royal London Hospital in East London. She had the opportunity to interview different members of the Respiratory

Team.....Physiotherapists, Respiratory Physiologist, Clinical Pharmacist, ward clerk, clinical nurse specialist, Paramedics, ward manager, Doctor, home oxygen lead and last , but by no means least, one of our Bengali speaking rehab support workers. Elodie learnt a lot about communication skills, how staff manage patients from diagnosis to end of life, how individuals and teams support each other with the stresses and strains of working in a healthcare environment. After a 05:30 start, Elodie was exhausted, but thrilled to have had such an eye-opening day. The photo is of Elodie having her vital observations checked out by a paramedic.

Here are some pictures of Betsy during her day at work with her dad. She started off on a photo shoot where she watched the makeup artists and stylist work then talked through the picture edit with the photographer. The rest of her day was spent at the

Daily Mail office in London watching her dad make a layout using the pictures from the shoot.

**Amelia** spent the day with her mum preparing flowers for weddings that weekend at Jane Maples Flowers in Hertford.

Brooke went to work at Tui for the day with her mum.

**Holly** spent the day at the SPD Research & Development office.

Darcey went to Knebworth Dental Practice for the day with her dad.

Lottie went to the family business Fishpools Ltd (owned by grandfather and uncle and celebrating 120 years in business this year).

She worked in the Visual Merchandising department and also helped out in the Linens and thoroughly enjoyed her day!

Ami went to her father's work, Mitsubishi Electric.

Evelyn went to work with mum who works as a senior underwriter in QBEs UK and Ireland team based in the main London office, Plantation Place.

As well as spending time here, she also visited the QBE box in Lloyd's of London.

Rosie spent the day at Heath Mount School. She painted shelves, used a nail gun and a mechanical jigsaw with her dad in the afternoon after spending the morning in the classroom with her mum.

Lydia at GSK with her mum.

Millie worked with her dad at the RAF museum in Hendon setting up a marquee and helping with the events side of parties.

Jessica went to work at Lee Valley VeloPark and Lee Valley Riding Centre with her Mum - pictured here with one of the Instructors at the Riding Centre.

Alexis went to Ridgeway Academy with her dad, Mike Broad, who is Head of Humanities there. She is pictured here with the Head (left) and her dad (right).

## Quality in Careers Standard - Investor in Careers

Since March 2017, there has been a new and simpler model of quality assurance for careers education, information, advice and guidance (CEIAG) in England, which is called the Quality in Careers Standard (QiCS).

Since September 2018 the Quality in Careers Standard has been revised to fully incorporate the Gatsby Foundation's Benchmarks of "Good Career Guidance".

The latest statutory guidance states that 'the Standard offers an opportunity for schools to undergo an external evaluation of their careers programme' and the Government 'strongly recommends that all schools work towards the updated Quality in Careers Standard to support the development of their careers programme.'

This means that any school achieving the QiCS will have Careers Education, Information, Advice and Guidance which meets an excellent, nationally-recognised standard.

As a school, we are now progressing through the standards in order to achieve QiCs by September 2020.

This might involve external input from local businesses, alumni and parents, and so I might be contacting you during the year for some support in this award.

For more information about our careers programme please go to our website.

## Sixth Form French Exchange

Just before the Easter break, some of our Year 12 French Students welcomed their French partners for the return leg of the Sixth Form French Exchange. As soon as they were reunited at Luton Airport, all the initial nerves immediately disappeared and a very busy weekend ensued. Our families really looked after their French visitors, organising many activities such as cruising on the Thames, shopping trips to London and the inevitable, and eagerly awaited, visit to Primark! (French teenagers love Primark as there are very few stores in France)

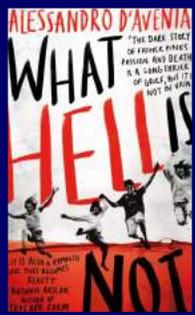

For most of the week, the French students attended normal lessons at Presdales as the aim of the Sixth Form Exchange is to be immersed in the life of the host partner. However, on Tuesday, we all spent the day in Cambridge, discovering the historical past of this prestigious University city during our guided tour. It is worth mentioning that Tuesday was the only day when it rained, with the rain becoming quite heavy the minute we set foot on our punts and easing off as soon as we got off!

I would like to thank Anne Favre, my French colleague from the lycée La Colinière in Nantes, for her continued efforts in cementing a very positive and rich working relationship and I am also very grateful to all the parents for being so welcoming and caring with our French visitors. I hope this year will be the beginning of a long and happy exchange between our Year 12 students and their partners.

## D'Avenia Heaven at the Oxford Literary Festival

On the last day of the Spring term, six Year 12 Italian A level students went to the Oxford Literary Festival with Mrs Stewart and Ms Jennings to hear an interview with Alessandro D'Avenia.

Alessandro D'Avenia is a best-selling Italian author from Palermo, Sicily, also a secondary school teacher in Milan. His first book, *Bianca come il latte, rossa come il sangue* (*White as milk, red as blood*), has been translated into 23 different languages and made into a film. At the festival he was presenting his third book, *Ciò che inferno non è*, which has recently been published in an English translation, *What hell is not*.

The author was interviewed by Oxford lecturer and tutor at Keble College, Teresa Franco. Alessandro began by reading a passage in Italian and then in English, choosing to focus on the moment when his RE teacher and local priest, Don Pino Puglisi, lay dying in the road after being shot by the Mafia. Alessandro works through the five regrets most people have when they die. Exceptionally, Don Pino had none of these regrets. He died with a smile on his face and even compassion for his attackers. He understood the community, Brancaccio, in Sicily, where they grew up. He understood the "hell" of growing up in the stranglehold of the Mafia. He had devoted everything to loving the children and their families there in an attempt to show them a different way of living, or "what hell is not". Alessandro was drawn into the community when Don Pino invited him, then a 17-year old boy, to come and lend a hand in running activities for the children during his summer holiday. *What hell is not* is Alessandro's portrayal of his own story and his encounters with Don Pino. The inspirational teacher and priest is the reason Alessandro himself became a teacher.

Throughout the interview our students had the excellent side-benefit of listening to the beautiful music of the Italian language being spoken, testing their own comprehension and then listening to the translation given by the interpreters. It was a fascinating insight into this linguistic skill and process.

The content of the reading and discussion was very moving and thought-provoking. Our Head Girl, Grace Bacon, had already read the English translation before attending. She said "I haven't been this engrossed in a book in a long time!" and is now reading the original in Italian. Other students bought the book following the interview, and were treated to a personal book-signing and chat with our new favourite Italian author!

Reasons for Alessandro D'Avenia's success include the real-life experiences and questions he addresses in his books, classic and classical themes and stories he weaves into his work, and his heart for young people. Indeed his first three books all focus on a (different) teenage main character, navigating relatable personal issues in their secondary school years. These first three books are: *Bianca come il latte, rossa come il sangue* (available in an English translation entitled: *White as silence, red as song*), *Cose che nessuno sa* (*Things nobody knows*) and *Ciò che inferno non è* (*What hell is not*). They are all available from The Italian Bookshop or Amazon, and I would wholeheartedly recommend each, whether or not you are studying Italian!

There will be some adult readers who have studied Italian, perhaps with Enrica Loi, and I know she would give her recommendation also. We discussed the publication of this third book and the town of Palermo, Sicily, where it is set, when she was still working at Presdales. You will also enjoy using your Italian to read the column Alessandro D'Avenia writes every Monday for the *Corriere della Sera*. Find it online directly, or via my weekly retweet if you follow my Italian Twitter account, @presdaliani.

So much to enjoy with la dolce lingua!

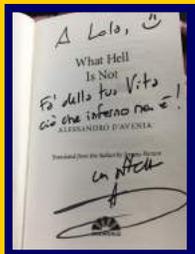

**Ms Jennings**

The trip to Oxford to meet the wonderful Alessandro D'avenia was excellent!

Having quickly read his book the night before it was fascinating to hear about his insight of the story and why he wrote it, based on true stories about the Italian Mafia. Having him do the talk in Italian with a translator beside was also really interesting and surprised us all as to how much we could actually understand. I will definitely be reading more of his books now!

**Grace Bacon (Head Girl)**

I thought our visit to see Alessandro D'Avenia was incredibly useful as it meant that we were able to put into practice our Italian listening and translation skills. I think we were all quite surprised and pleased at the amount of the talk we understood without the interpreter. Overall, it was very insightful- for me particularly as I was able to see an interpreter in action!

## News from Art and Photography

### Year 12 Fine Art Exam

Well done to all of our Year 12 Fine Art students who have just completed their 10 hour exam. They all produced amazing studies based on their portfolio themes. Here is a selection.

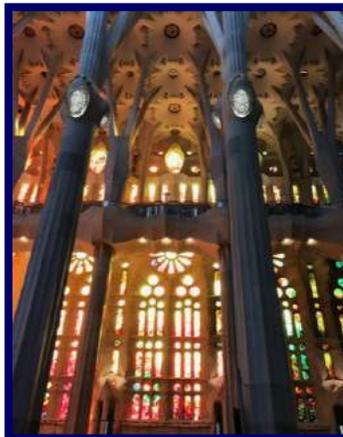

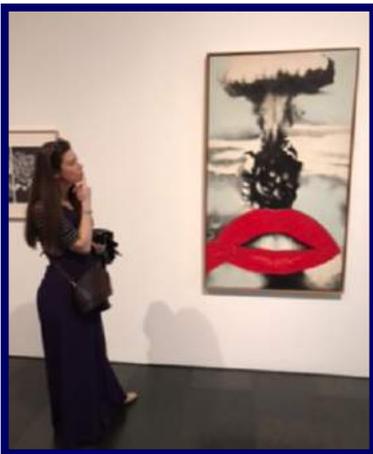

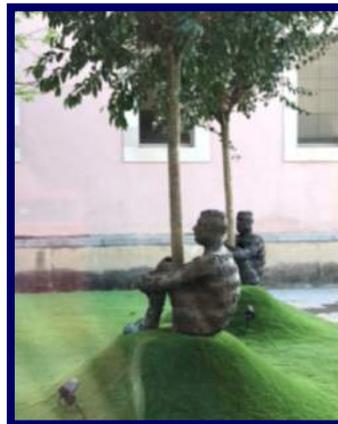

## Art and Photography Trip

Our Year 12 & 13 Art and Photography students enjoyed 4 days in sunny Barcelona this Easter. We visited Sagrada Familia, Parc Guell, Barcelona Aquarium, Las Ramblas and Casa Batllo as well as many other beautiful sites. They have all returned afresh with inspiring resources for their next project. Well done to everyone that came for your excellent behaviour and thanks to Mrs Wall and Mrs Sykes for all your outstanding help.

Mrs Francis

## Year 10 Summer Exam

Recently, our Year 10 GCSE pupils completed a 10 hour exam based on Sweets. They produced two observational studies each and here are a small selection of their coloured pieces. Well done to everyone! We are all so proud of you.

## PE News

### Rounders

Well done to both the Year 11 and Sixth Form rounders teams who competed at the Senior Rounders tournament last week.

The Year 11's came 4th and the Sixth Formers came 1st winning all their games! Congratulations girls!

### U15s East Regional Handball Finals

The girls were amazing... great energy and team work all round... we finished 5th overall - the winners of the tournament being the first team we played losing 1-0 (in the last 2 seconds of the game)!

### Football

Just before the Easter holidays, we had our first home football match against John Warner and the girls did brilliantly! The Year 7's won 7-0 and the Year 8's won 2-0. We were also a player short in Year 8 so they played 7 v 8, their score being even more impressive. Both teams were fantastic: keeping their positions, incisive passing, great movement, good marking and tackling and excellent finishing. Well done girls!

Well played to the Year 7 and 8 football team who recently played a combined 11-a-side match against Simon Balle. They unfortunately lost 0-9 but the girls put in 100% effort for the whole game. We are super proud of your resilience girls, well done!

### Majorettes

Amélie (Year 11) recently attended the U.K.F.M. National Finals with her troupe, Capricorn Majorettes of Hoddesdon. She entered several competitions including solos and groups and walked away with an impressive 10 first places, 2 second places and 1 runner up. Her success was combined with the points she had earned in regional competitions throughout the season and she was awarded the overall twirler award in her age group! This means that she is considered the best twirler in the Senior Twirler category this year which is very impressive considering she competed in many classifications for the first time this year! Well done Amélie, this is fantastic!

### Tennis

Well done to our Year 7 & 8 and 9 & 10 Tennis teams who played extremely well vs Queenswood School in their first league game of the season.

Unfortunately, both teams lost 4-2 overall.

However, great effort in a competition we entered for the first time. Some tight tie-breaks could have swung it the other way!

Star Players were Charlotte Slack and Evie Reilly.

Last weekend, Charlotte (Year 8) won an 16U Grade 4 Tennis Tournament at Thetford LTC. Well done!

### Rugby

At the weekend, 6 Presdales girls (Maddie, Maggie, Holly, Emily, Jess and Charlotte) played in the RFU U15 Girls National Cup final representing Welwyn Rugby Club. The competition started at the start of the rugby season with 98 teams from all over the country and culminated in a final between Welwyn RFC and Barkers Butts RFC. With a score of 12-12 at half-time it was anyone's match but, unfortunately, Barkers Butts won through in the end. Fantastic effort from all the girls who showed determination, commitment and true sportsmanship throughout. The girls should all be extremely proud of this huge achievement. Well done girls, what a fantastic achievement to get to the National Cup Final. Congratulations on your silver medals!

### Hockey

Over the Easter holidays, 3 Presdales students - Hermione, Izzy (both Year 10) and Ella (Year 11) - took part in the U16 Hockey National Finals with their hockey club Southgate. Overall, they came 7th in the country, which is a huge achievement! Well done!

### Fencing

Last weekend, Amelia Middleton (Year 11), won a bronze medal in the 2019 British Youth Championships girls U16 foil fencing. Amelia was selected to represent the London region at this National Competition. Congratulations Amelia, this is a brilliant accomplishment. Well done!
