

Headteacher: Mr M Warren

17th July 2019

Dear Parents and Guardians,

Re: Year 10 Stratford, East London, Urban Regeneration Field Study Day

To fulfil the fieldwork requirement of the GCSE course, we are taking Year 10 geographers to Epping Forest on a physical geography field study day. GCSE students are required to complete one physical geography field study and one urban field study day. The urban field study day has been booked for 2020 and further details will follow. These trips are compulsory to meet the requirements of AQA, the exam board.

Specific details of the trip are:

Date	Friday 11 th October 2019
Time	Departure from school: 9.00 a.m. Departure from Epping Forest 3.30 p.m. to return to school at 4.30 p.m.
Destination	Epping Forest Field Study Centre
What should students bring/wear?	Warm clothes and a coat, sensible footwear (wellies if there has been rain beforehand), a clipboard, pens and pencils and a packed lunch with drinks.

It would be appreciated if you could complete the attached permission slip and the medical information form and return these to the School Office, along with a voluntary contribution of £40.00 if not made by Wisepay, by Monday, September 9th, 2019.

I do hope that you will be able to support us in taking your daughter out of school for this essential fieldtrip. If you are concerned about meeting the payment for the trip or have any questions then please contact me as soon as possible.

Yours faithfully,

Mrs L Hyslop
Head of Geography
Hyslopl@presdales.herts.sch.uk

Please return to Mrs Eyre in the School Office. **This section needs to be brought into school by Monday 9th September 2019.**

Year 10 Geography fieldtrip to Epping Forest permission slip.
