

A Level Fashion & Textiles:

Bridging Project

In preparation for starting the A Level Fashion & Textiles course; you need to complete the work outlined below to support covering any gaps that you might have from GCSE to A Level. This unit of work is based on design influences.

Task 1; the work of other fashion designers

Paul Poiret

Yves Saint Laurent

Pierre Cardin

Christian Dior

Coco Chanel

Vivienne Westwood

Alexander McQueen

Mary Quant

Choose one of the above Fashion designers (one that you are not familiar with) and produce an information PowerPoint on either Microsoft PowerPoint or Google Slides. The information needs to include the following:

- Who they are and when they designed for Fashion
- Their design inspirations (where they gathered ideas from; e.g. gender, pop culture, art)
- The key fashion products or trends that influenced fashion (key 'iconic' clothing items)
- Explain what made them 'innovative designers'
- Any other information that you can find that you think is relevant
- A moodboard/visual page of their work

You need to create a range of 6 fashion designs that are inspired by the artists' style. I have included/attached a range of templates that you can use to support this task. I am particularly looking for the following in your design ideas:

- Your designing skills and style (I want to see your individual style)
- Creativity and innovation in ideas
- Developed, modern approaches to historical products; the products need to be suitable for current Fashion trends

Task 2; design styles and movements

Art Nouveau

Art Deco

Pop Art

Minimalism

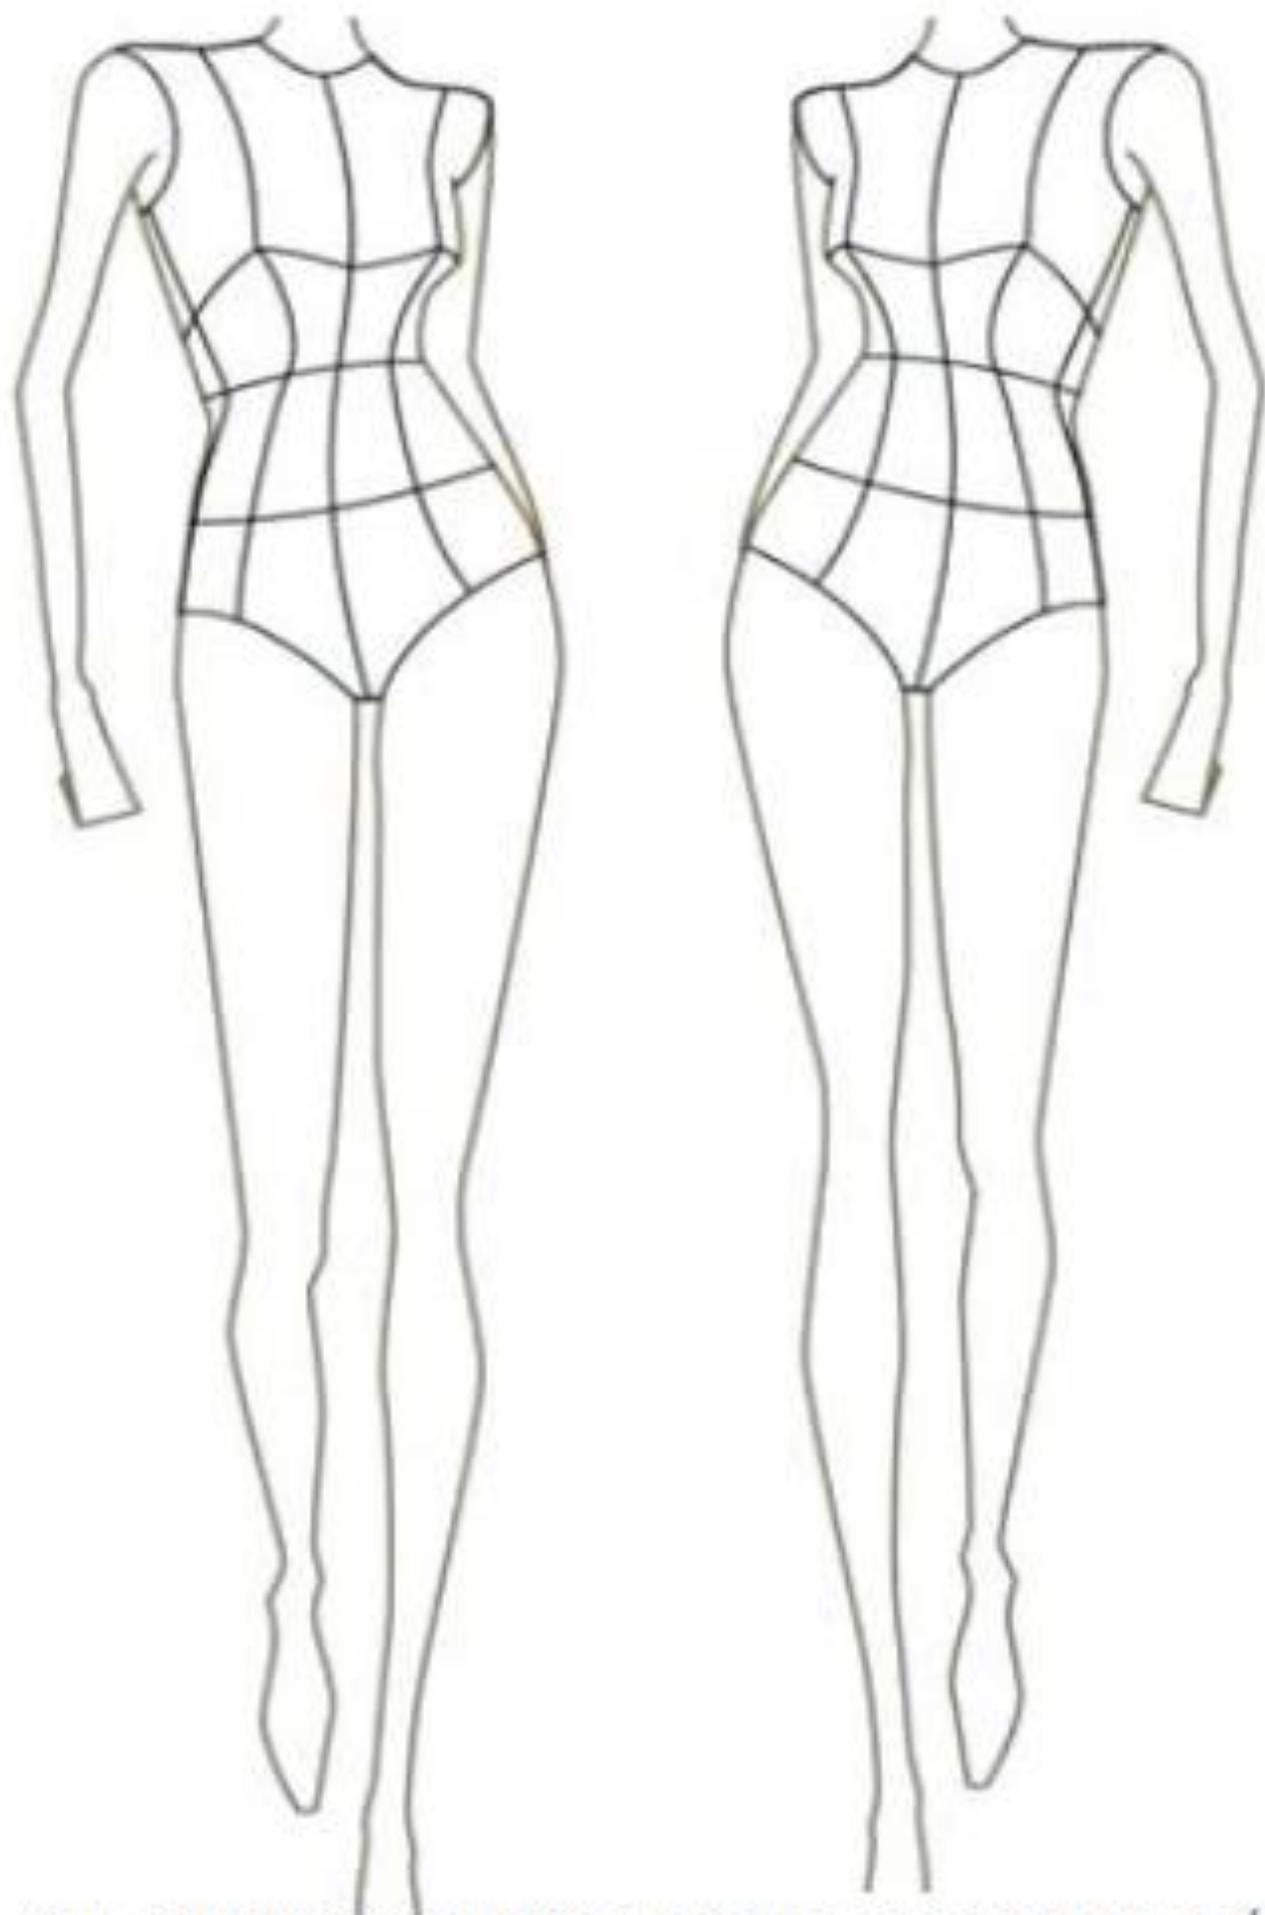

Punk

You need to choose one of the above design movements (one that you are not familiar with) and produce an information PowerPoint. The information needs to include the following:

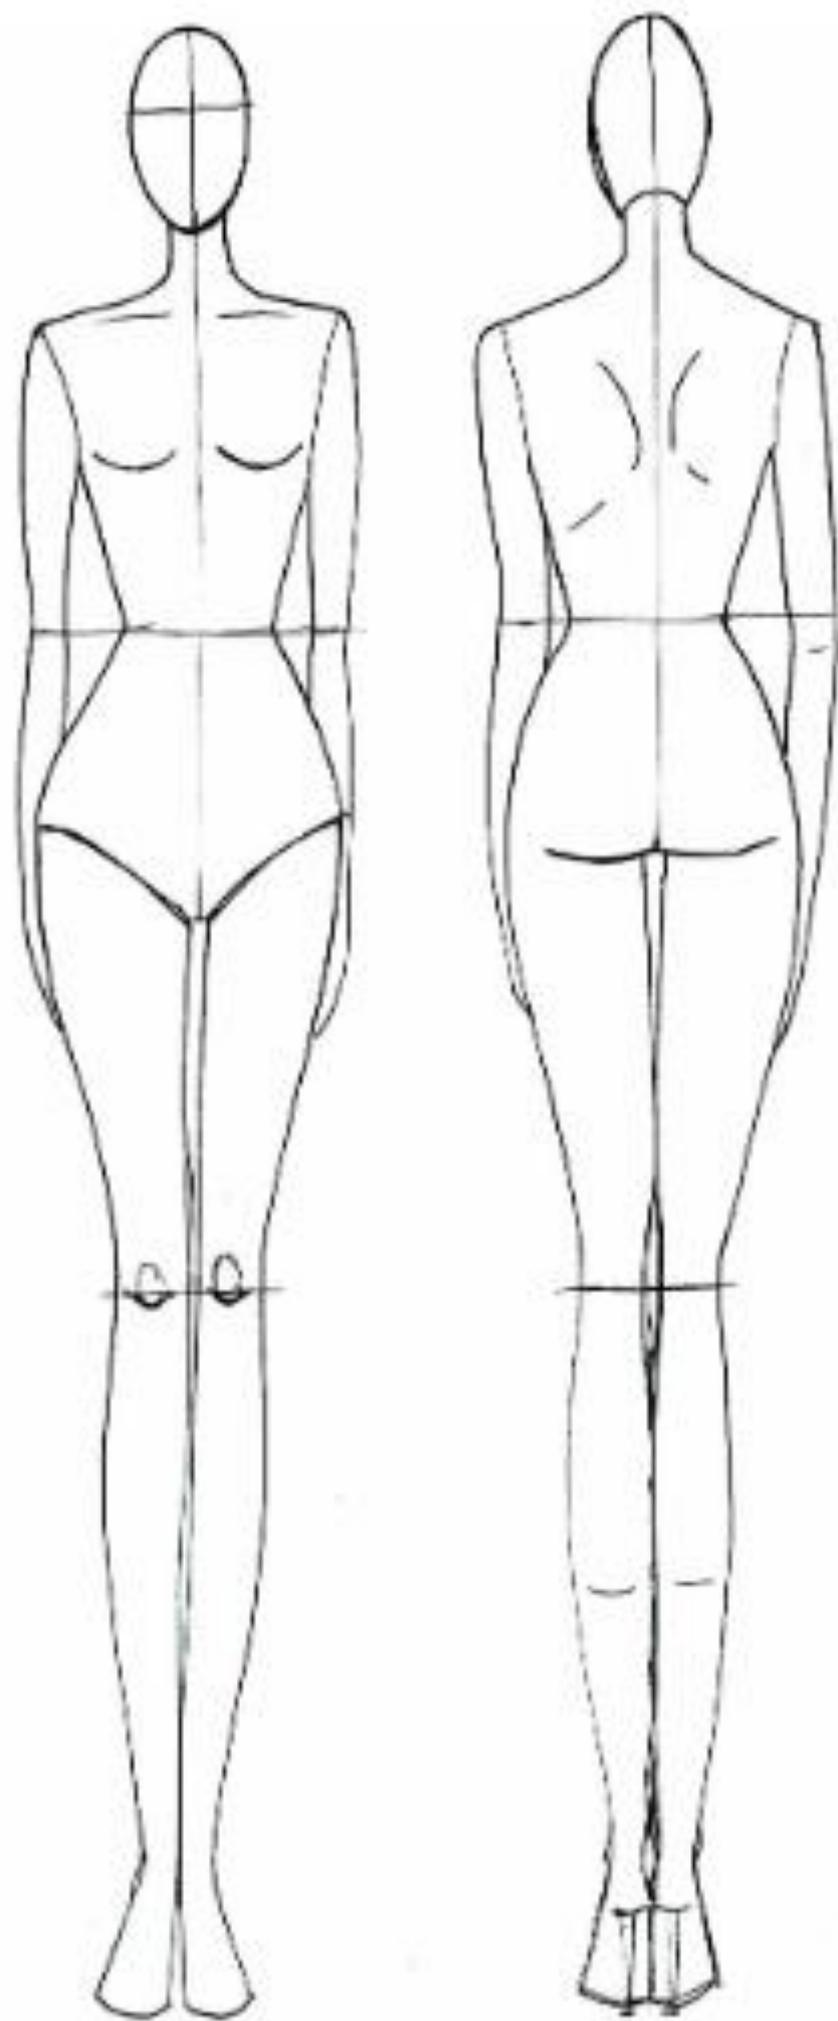

- Who or what started the movement (as well as key designers and artists linked)
- Design inspirations (where ideas came from; e.g. gender, pop culture, art)
- The key fashion products or trends that influenced fashion (key 'iconic' clothing items)
- Any other information that you can find that you think is relevant
- A moodboard/visual page of designs linked to the movement

You need to create a range of 6 fashion designs that are inspired by the styles of the movement. I have included/attached a range of templates that you can use to support this task. I am particularly looking for the following in your design ideas:

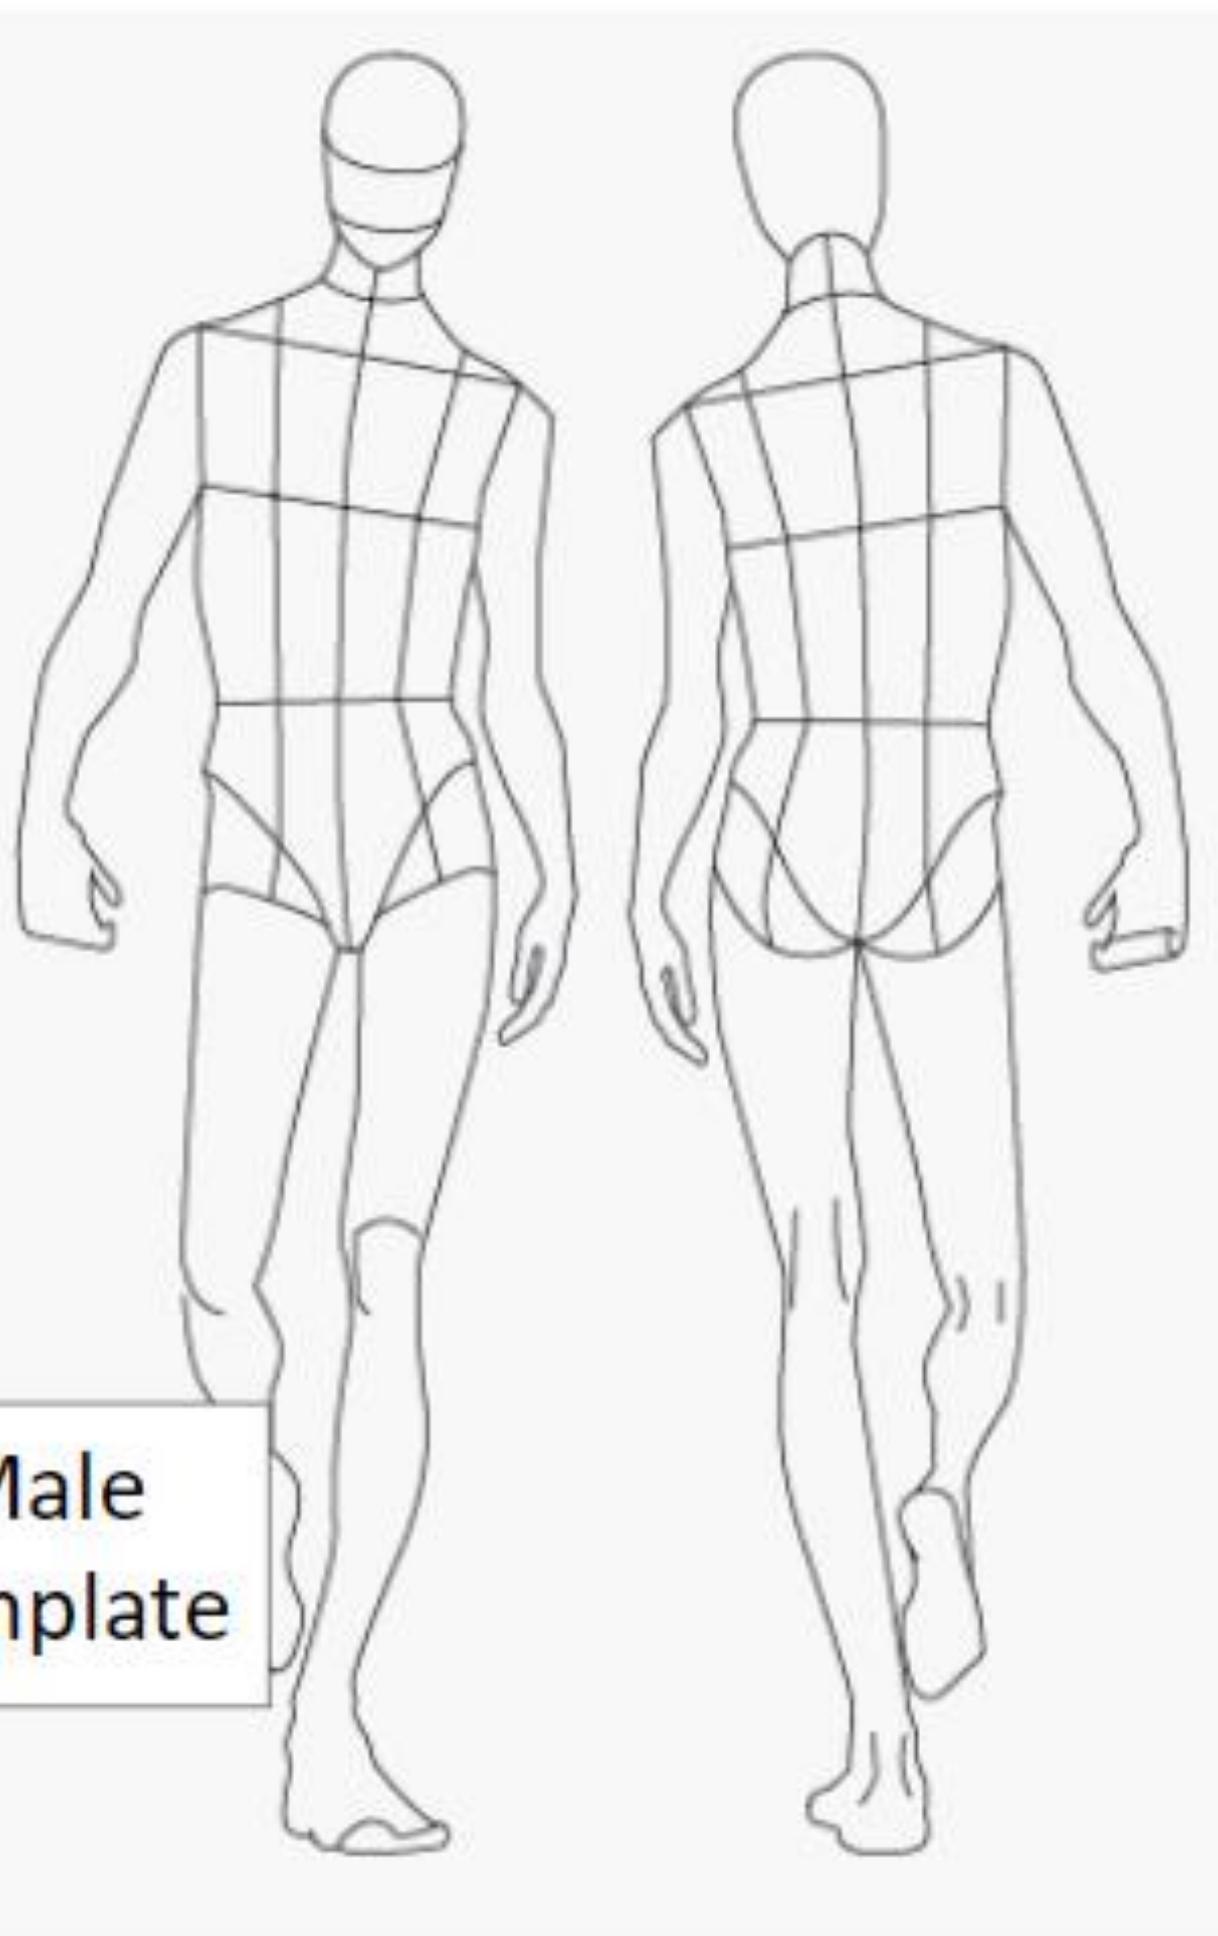

- Your designing skills and style (I want to see your individual style)
- Creativity and innovation in ideas
- Developed, modern approaches to historical products; the products need to be suitable for current Fashion trends

You can also search for your own on a search engine such as Google
