

### Think about:

- What do you think are normal aggressive behaviours that 4 year old display?
- Now, try and separate them into physical and verbal
- Do you think there is a difference between boys and girls?

### Watch:

- You are going to watch an episode of 'The Secret Life of 4 year olds' and tally examples of aggressive and non aggressive behaviours
- This is the first episode of Series 1:  
<http://www.channel4.com/programmes/the-secret-life-of-4-and-5-year-olds/on-demand/61827-001>
- Copy / use the tables below. Complete the tallies for boys and girls as you watch the episode

	Category	Includes	Tally - boys	Tally - girls
Aggressive behaviour	Kind gestures	Sharing toys, including people, helping people		
	Physical non-aggression	Hugging, high fiving, kissing,		
	Verbal non - aggression	Manners, compliments and generally being polite to children and adults		

	Category	Includes	Tally - boys	Tally - girls
Non-aggressive behaviour	Verbal aggression	Names, swearing, shouting		
	Physical aggression	Biting, kicking, pushing, spitting, pulling hair		
	Isolating others	Not including others in games, bullying, not sharing		

### Discussion and evaluation

- What was easy / difficult about that observation? How could the difficulties be solved?
