

MATHS A LEVEL:

Early preparation for current Year 11 students.

4 weeks: from 27 April - Summer Half Term

Presdales students should already have this workbook at home.

If yours is still in school - we can email it out to you: please contact Mrs Rugg-Gunn on rugg-gunnr@presdales.herts.sch.uk

The absolute best thing you can do in the first half of the Summer Term is to complete as much of this workbook as you can.

If you have not got a copy (non-Presdales students) please purchase one from this link: <https://www.cgpbooks.co.uk/secondary-books/gcse/maths/mx9q42-gcse-maths-edexcel-grade-8-9-targeted-exa>

Mrs Rugg-Gunn and Mr Baldwin baldwinj@presdales.herts.sch.uk have time to answer questions on how to solve problems that are causing issues amongst you.

Googlemeets will take place on Thursdays at 9.30am with Mrs Rugg-Gunn under the quickcode new12Maths. Students from outside Presdales can join these too - you may need a special code or invitation so email me on rugg-gunnr@presdales.herts.sch.uk

Below are the recommended pages and questions to do in this 4 week period.

Week Beginning:

27 April

Page 9 Q 2 3 4 5

Page 11 Q 1 2 3 4

Page 13 Q 3 4 5 6

Page 15 Q 1 2 3

4 May

Page 17 Q 1 2 3 4

Page 21 Q 1 2 3

Page 25 Q 1 2 3

Page 83 Q 1 2 3

11 May

Page 27 Q 1 2 3 4

Page 29 Q 1 2 3 4

Page 33 Q 1 2 3

Page 85 Q 1 2 3 4

18 May

Page 37 Q 1 2 4

Page 58 Q 1 2 3
