German Engineer

Hugo Junkers

Hugo Junkers was an engineer that assisted in the development of all-metal airplanes and (plane)wings. Being an engineer and aircraft designer Hugo Junkers also owned a company(Junkers Aircraft And Motor Works)which Nazis once requested aid from, as he declined, they demanded possession of any franchise and remaining company shares with a charge of treason and imprisonment.

/Zwischen dem Ersten und Zweiten Weltkrieg trugen seine Frachtflugzeuge dazu bei, die Flugzeuge zu schaffen, die wir heute haben.

Claudia Schiffer

German Model

-and more

Claudia Schiffer grew to be and still is all a model, actress, executive producer and fashion designer after being seen by a head of an agency and invited to a photoshoot. Before her modelling career took off she aspired to work in law, following in her father's footsteps. Schiffer also stems her career into media where she debuts as an actress and has starred in *richie rich* along with *love actually* for example. She's also made an appearance in several talk shows and even released her own cashmere clothing collection. Was bedeutet, dass sie insgesamt recht erfolgreich ist!
