

Martinique! By Chloe Tucker

To get to Martinique I would take the plane. I would go from Gatwick in London to Martinique Aimé Césaire international airport. I would stay in a villa called La Suite Villa because it has big rooms, hot tubs and outdoor pools which is very relaxing. I would eat at a restaurant called Rue De La Plage because it has lots of nice looking food and scenery. I would go to the beach most days and go swim in the water. This is because it's fun and very relaxing. Other than that I would go on walks round the place I'm staying in and explore the local area. The weather gets quite hot but sometimes with a couple days of rain. Considering this I would pack a light jacket just in case it was to rain.

Phrases to say:

Bonjour s'il te plaît peux-tu me dire comment arriver à... (Hello please can you tell me how to get to...)

S'il te plaît puis-je avoir... (Please can I have...)

J'ai passé une journée vraiment amusant. (I had a really fun day.)
