Where would you stay?

I would stay at Novotel Nice Centre Vieux Nice, which is a hotel in Nice in the south of France. The price would approximately be £137 per person. So the whole price would be £1,644 including the three nights that I would stay there. I have chosen this hotel because it has a rooftop, heated swimming pool, a 360 degree view of the old town, the sea and the hills and is located in the heart of the old city near the port, flower market and the beach.

What food would you eat?

I would eat at the hotel and local restaurants. I have looked on Tripadvisor and seen the following recommendations:

La Route Du Miam – a small restaurant serving French cuisine with a cosy atmosphere and friendly service.

Oliviera – typical French food situated in the old town.

Neron Glacier – Superb patisserie and ice cream located in the old part of Nice.

How would you get there?

I would get there by flying from Gatwick to Nice Côte d'Azur Airport in Nice. The price would approximately be £166 per person. So the whole price would be £1,388 including the flight back.

What would keep you entertained?

Jardin Exotique de Monaco (a jungle walkthrough) (23 mins approximately from hotel)

Marc Chagall National Museum (an art museum) (19 mins approximately from hotel)

Place Île de Beauté (a harbour) (18 mins approximately from hotel)

Plage Beau Rivage and the Mediterranean sea (beach) (10 mins approximately from hotel)

The Promenade des Anglais (promenade along Mediterranean) (10 mins approximately from hotel)
