

## *Things I have learnt during Lockdown*

*I have learnt to spend more time with my family at home because before we were in lockdown I was either going round friends houses, coming home and getting my homework all done and my parents working. This has taught me to spend more time with the people that I love.*

*I have also learnt that I am good at cooking for my family or dinner. I have been cooking a roast, lasagna, Chicken Korma curry etc. Before Lockdown I didn't do much cooking for the family as I do now, also I didn't know that I was good at it. One dinner, at the start of lockdown I made a lasagna for my family at home and when it was time to eat they all loved it. After Lockdown I am starting to do more family dinners.*
