Presdales is an outstanding all-girls 11-18 school, with boys in the sixth form. We are a school which values all students, irrespective of their age and ability and helps them to exceed expectations through high quality teaching and learning and the opportunity to take part in a wide variety of activities which will enrich their educational and personal development beyond the classroom.

We provide a caring environment where all students are supported, as well as challenged, to ensure that there is no limit to their potential. We prepare our students for a world that is constantly changing by encouraging them to be independent learners who are determined, confident and who never give up. Alongside academic excellence there is a strong focus on enjoyment, excellent behaviour and respect for all.

The school is committed to safeguarding and promoting the welfare of young people and expect staff to share this commitment. Applicants must be willing to undergo an Enhanced DBS disclosure and approved references will be required for the post.

Please submit a letter of application and a completed application form (available on the school website).

You can post your application to the school, or send by email to recruitment@presdales.herts.sch.uk.
