# The great French language challenge

## Listen to a French song

## Christine and the queens-tilted.

# Tilted lyrics

I die way before Methuselah

So I'll fight sleep with

—Ammonia

And every morning with

eyes all red

I'll miss them for the tears

they shed

But I'm actually good

Can't help it if we're tilted

I am actually good

Can't help it if we

I am actually good

Can't help it if we're tilted

I am actually good

Can't help it if we're tilted

I miss prosthesis and mended souls

Trample over beauty while singing their thoughts

I match them with my euphoria

When they said, "Je suis plus folle que toi."

But I'm actually good

Can't help it if we're tilted

I am actually good

Can't help it if we

I am actually good

Can't help it if we're tilted

I am actually good

Can't help it if we're tilted

Nous et la man on est de sortie

Pire qu'une simple moitié on compte à demi-demi

Pile sur un des bas côtés comme des origamis

Le bras tendu paraît cassé tout n'est qu'épis et éclis

Ces enfants bizarres

Crachés dehors comme par hasard

Cachant l'effort dans le griffoir

Et une creepy song en étendard qui fait:

I'm doing my face

With magic marker

I'm in my right place

Don't be a downer

I'm doing my face

With magic marker

I'm in my right place

Don't be a downer

I am actually good

Can't help it if we're tilted

I am actually good

Can't help it if we

I am actually good

Can't help it if we're tilted

I am actually good

Can't help it if we're tilted

I am actually good

Can't help it if we

I am actually good

Can't help it if we're tilted

I am actually good

Can't help it if we're tilted
