Dear Parent / Carer,

25<sup>th</sup> February 2021

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we are using Unifrog next week; an award-winning, online careers platform. All students in Years 7-13 now have access to this excellent website.

- Year 7,8,9: Personality and Interests Quiz and deciding on dream job
- Year 10: CV writing workshop on Unifrog, introduced by Alumni
- Year 11: Where do their A level or College courses take them post 18?
- Year 12/13: Spending some time looking at post 18 options.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver Programmes, MOOCs and every college at Oxford and Cambridge. This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English taught undergraduate programmes available in Europe, USA, Canada and Australia.

Additionally, the platform helps students successfully apply for these opportunities by writing their personal statement, applications and CVs and guiding them through the process, allowing teachers to give live feedback.

Students in years 7-13 have logged using their school email address and password and they can do so from any computer, tablet or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to truly support your child. The form code you need is: PresdalesParent and you can sign up here: [www.unifrog.org/code](http://www.unifrog.org/code)

Kind regards

Julie Stephenson
