

MATHEMATICIAN *of the* MOMENT

The Mathematics department would like to recognise excellent achievements and consistent effort of students in the subject.

Each half term, each maths teacher has selected one student that they teach and we would publicly like to recognise their great achievement:

Teacher	Student	Year	Reason for nomination
Mr Payne	Annelise Apling	12	A fantastic attitude to your maths studies including a good improvement in A Level Maths, supporting lower school students during lunch clinics and taking a proactive role in leading parts of the weekly Year 8 lesson you support in.
Mrs Share	Lizzie Morgans	7	A great attitude to work, resulting in a massive improvement in test results
Mrs Thompson	Harriet Dodson	10	A massive improvement in attitude and work ethic in her Maths lessons.
Miss McCallum	Evie Colton	9	For consistently excellent effort and working hard in every Maths lesson.
Mr Baldwin	Gracie Hutchinson	10	Amazing effort, attitude and work ethic in every maths lesson
Miss Johnston	Ava Leret	10	For consistently excellent effort and contributions in every maths lesson.
Mrs Crane	Izzy Waring	9	For consistently excellent effort and her work ethic in Maths lessons.
Mrs Lanka	Cecilia Jodeika	8	For always working hard in both lessons and in homework
Mrs Stephenson	Teah Gregory	9	For always working hard in every maths lesson
Mrs Stephenson	Sarah Lowe	11	For always having a brilliant attitude to learning, answering questions and working hard in every maths lesson.

Each student nominated above will receive a certificate which they can keep as part of their record of achievement at Presdales.
