22nd April 2022

Dear Parent/Carer/Student

I trust that you all had an enjoyable Easter break and were able to spend quality time together as a family. I find it hard to believe that we are now in the Summer term, the academic year is moving fast. Our Year 11 and 13 students will soon be leaving us and starting their public exams, I hope their revision is going well. Good luck to the 73 students who are on their Duke of Edinburgh Silver Practice Expedition and also the 18 Year 12 students who are on their Geography field trip to Cranedale Centre, North Yorkshire.

Student Success

Congratulations to Maeve Price, Year 9, who, over Easter, won a medal competing in the World Irish Dancing Championships in Killarney. A fantastic achievement, well done to Maeve.

COVID - Current Guidance

It is no longer a requirement for students to test, and should only do so if advised to by a medical practitioner. If your child has a high temperature and/or has respiratory symptoms, then they should remain off school until their temperature is back to normal. If they do take a test which gives a positive result, then they should remain off school for three days.

Parent Survey

Thank you to those who have already completed the parent survey. The reminder yesterday resulted in another 200 entries. The survey closes at 9.00am on Monday 25 April. Please click [here](#) to take the survey.

Communication during the School Day

Please be reminded that students should not be contacted directly on their mobile phones during lesson times. Students are allowed to use their phones outside during break and lunchtime. We have recently had incidents where parents are texting their children when they are in lessons and the students are checking and replying. If you need to send a message, then please do so between 10.45am and 11.00am or 12.45pm and 1.40pm, when students are free to check their phones. If there is an emergency, then please contact the school office.

I wish you all a pleasant weekend.

Regards

Mr M Warren
