

Your teacher will **assess your progress** through your class work (spoken and written) and home work. You will sometimes have tests on learning home works. You will also reflect on your own progress and set targets.

Top tips for success

Once you've learnt the SSC's, keep practising them. Also learn **vocabulary** very regularly. 'Little and often' is what works: perhaps 5 words twice a week using your German Learner Guide. These 7 ways of memorising words help many learners:

- Make flashcards
- Invent rhymes and raps
- Teach the words to someone else
- Stick up 'word' post-its where you will see them everyday
- Take part in the Spelling Bee
- Think about each word: what does it remind you of?
- Quizlet: your Learner Guide has all the QR codes for fast access.

Use this checklist to ensure that your German shows progress through the year:

- Have you identified letters carefully and used capital letters where required?
- Is your pronunciation / spelling good?
- Have you expressed opinions?
- Have you extended some sentences with connectives?
- Have you checked the grammar of your sentences?
