17<sup>th</sup> March 2023

Dear Parents/Carers/Students

## PressTales

Please click [here](#) for this week's edition of PressTales.

## Music Concert

Congratulations to all of the students who performed at our Spring Concert on Tuesday. In particular, well done to our Year 13 music students who, not only performed, but rehearsed and conducted other ensembles for younger students. Thank you to the Music team, including our peripatetic teachers, for the time and effort that went into ensuring a successful evening.

## U16 Netball Finalists

Following a long day and many matches, our students came 8<sup>th</sup> out of 18 in the National Schools Finals. Well done to all of the students for reaching the finals and performing so well when there.

## Parking

We have received further complaints from our local residents about parental parking, in particular, parents parking on the grass verges on Windmill Field Road. I would be grateful if all parents could be considerate when parking locally, or park further afield and ask your child to walk to meet you.

## Coach Transport on Friday 31<sup>st</sup> March

School finishes for the Easter break at 12.45pm on Friday 31<sup>st</sup> March. Normally, the buses pick up the students early. However, we have checked with the school transport providers and they have advised us of the following:

- **Uno** will pick up at 3:30pm as normal
- **Regs** will pick up at 3:30pm as normal
- **Micks** will pick up at 12:45pm
- **Golden Boy E85** will pick up at 12:50pm
- **Golden Boy E86** will pick up at 1:30pm

Students can stay on the school site and wait in the school canteen if alternative arrangements cannot be made.

## 'How To Revise in Maths' Workshop - Year 11 - Reminder

The Mathematics Department will be hosting a parent/carer and student "How To Revise in Maths" workshop on **Tuesday 21<sup>st</sup> March** from 6pm to 7pm in the school hall. It is a great opportunity to ensure your child has the tools they need to succeed in their GCSE Maths exams in the summer.

We will be providing information on the most effective strategies that can be applied when revising Mathematics, signposting you to resources that are available to students and putting some of the strategies into practice in the session. We look forward to seeing as many Year 11 students and their parents/carers as possible.

We have had 68 parents already sign up so if you would like to attend, please click [here](#) and complete the short form **by 9.00am Monday 20<sup>th</sup> March**.

Wishing you all a pleasant weekend.

Kind regards

Mr M Warren
