26th April 2024

Dear Parents/Carers/Students

Please click [here](#) for the latest edition of PressTales.

Student Success

Congratulations to Ella Reynolds, Year 7, who has won a flag design competition for the Badminton National Championships, sponsored by Babolat. Ella's flag will be used to represent the East of England and is one of three shortlisted for the school prize to receive a visit from a Babolat Ambassador. Well done Ella, a great achievement.

U14 County Cup Football Finals

Good luck to our U14 team who are in the County Cup Final on Monday evening. The game will take place at Cheshunt Football Club. Kick-off is 6.00pm. We hope that students and parents will come and support the team. Herts FA will charge a small entrance fee at the gate.

Whole School Photograph

Please follow [this link](#) for details on how to buy the whole school photograph.

'Please include your child's full name to assist with distribution at the school.

Order within two weeks to avoid P&P charges. (Delivery to school).

For assistance, please call 01736 752411 (Option 3 - Place an order (P&P applies, Option 5 - Customer services)'

Schools do have an option to receive commission on each print sold. We have not taken up this option, as doing so would have increased the cost of the photo to families.

Parent Survey

Thank you to those parents who have been able to complete our [annual survey](#). I know many of you completed the Ofsted survey which are based on the same questions, so we will combine the data with that on the Ofsted ParentView. We are asking for comments on potential changes to our mobile phone policy, so your responses would be appreciated.

Understanding my Autism/ADHD

Please click [here](#) for information on sessions aimed at supporting families of children with Autism and ADHD. These are being provided by the NHS and Herts CC.

ERSOU's Cyber Choices and Online Safety Events for Parents

Please click [here](#) for a link to details about free sessions being delivered for parents by the Eastern Region Special Operations Unit - Counter Terrorism Unit. They are about cyber choices and online safety.

Visit from Tesla

On Thursday, two employees from Tesla visited Presdales to talk about the work that is being carried out to make their cars and batteries more sustainable. Sian and Will talked about the company's mission statement and explained what is being done to move to zero emission.

Wishing you all a pleasant weekend.

Regards

Mr M Warren
