Dear Parent/Carer/Student

It was a pleasure to welcome back all our returning students this week. We hope you all had a wonderful summer break. A warm welcome to our new Year 7 and 12 students, who have made a positive start with us at Presdales.

We are very proud of our Year 11 and 13 students from the last academic year. They excelled in their examinations and are rightly proud of the outcomes that they achieved. Our best wishes go to all students who are off to college, another school, University, an Apprenticeship or other pursuits this September. An overview of our results will be published on our website in due course.
