

Dear Parent/Carer

Unifrog – The Complete Destinations Platform

We are excited to announce that Unifrog offers accounts for parents and carers!

Alongside our existing student and teacher accounts, parent/carer accounts give you access to a range of helpful tools and insights to support your child in making informed decisions about their future.

With a Unifrog parent/carer account, you can:

- View your child's upcoming tasks, incomplete actions, events, placements, and teacher interactions.
- Explore the same tools your child uses — for example, discover which “frog” they are in the personality quiz.
- Access webinars, virtual fairs, and guides specifically designed for parents and carers.
- Sign up for a monthly parent newsletter packed with updates, news, and opportunities.

How to create your account:

You can set up your account using Single Sign-On on the normal Sign in page, or by using your email address [on this page](#).

If you have got more than one child with a Unifrog account, you will see them all in your parent account - even if they are at different schools or colleges (or if one is in primary and another in secondary).

If you have any questions, please don't hesitate to contact me at careers@presdales.herts.sch.uk.

Yours faithfully,

Mrs Stephenson

Deputy Headteacher and Careers Lead
