Friday 17th July 2026

Dear Parent/Carer/Student

We have made it! The end of another academic year. This has been a year filled with growth, achievement, some sadness but also many unforgettable moments. An extraordinary school community is built on the shared efforts of many, and I want to take this opportunity to express my deepest appreciation to students, parents and carers, staff, and trustees. This has been a combined effort. There have been ups and downs along the way, but we continue to thrive on the achievements of the young people in this school.

Over the past year, the students have amassed nearly 170,000 achievement points. A total of 297 students received no consequences, with 1,044 having less than 20 consequence points all year. Well done to all our students.

We say farewell to several members of staff this year; most have gained a promotion or relocating. We thank them for their service to Presdales School and wish them the very best in their new schools.

PressTales

Please click [here](#) for the last edition of the year. My thanks to Mrs Gray who puts PressTales together every other week.

End of Year House Assembly

Congratulations to Parks House for being crowned as House winners for 2025/26. Well done to all students who have participated in house events this year. We look forward to even more events on offer next year. The house assembly is a fitting end to the year and opportunity to say thank you and a fantastic effort to all students and staff.

Mobile Phone Policy Update

Please read the email sent earlier this week about the updated mobile phone policy. Please be assured that students who need to get a bus will still have time to go to their locker at the end of the day to retrieve their mobile phone. Students who arrive late on a bus will be expected to go straight to registration. Once registered, their form tutor will allow them to put their mobile phone in their locker.

Presdales Rocks

A huge thank you to the Music Department for putting on such a fantastic concert on Monday evening. Huge congratulations to all the students who took to the stage and performed so brilliantly. It was especially wonderful to hear several original compositions by our talented students.

Sport Awards

Well done to all nominees and winners of awards this year. I am always amazed by the number of sports that the PE department provide and the quality of the performances by our students.

Super Curriculum

Over the summer holidays, your child may wish to take part in our engaging and wide-ranging set of Super Curriculum tasks. It is a great opportunity for students to deepen their knowledge and understanding in a subject area which they have a particular passion or curiosity for. Please take some time to look through the Super Curriculum Google site with your child and encourage them to complete at least one task over the holiday period. All completed tasks should be recorded on UniFrog and evidence uploaded onto Google Classroom once returning in September. Teachers will look forward to seeing the completed tasks on our return.

You can access the Super Curriculum Google site through our school website on the 'Curriculum' page or by clicking [here](#). Please also take a look in our latest edition of PressTales to see which students were awarded Best in Subject for the Super Curriculum tasks they completed in the summer term.

Reminder: Changes to the 2026/27 School Calendar

Please be advised that there are two changes to the school calendar for 2026/27.

The previously published inset days on **Monday 4th January 2027** and **Friday 19th March 2027** will now be normal school days when all students are expected to be in school. The school website is correct.

Return to School: September 2026

Thursday 3rd September	Year 7 and 12 students only
Friday 4th September	All students

I wish you all an enjoyable and restful summer break. We have spoken to the students about being safe, looking out for each other and taking time to relax and switch off.

Thank you for your continued support.

Mr M Warren
